

Minutes Selectboard March 22 6pm

Attendance: Tom Dibble, Steve Hall, Chrystal Cleary

- call to order 6:03 ppm

Old Business-

- Road closures/postings- did we ever get the signs?

The Town has not received the signs from VTrans. Steve will pass his contact info for Vtrans as well as road contractors and suppliers on to Tom as Road Commissioner to chase those down, as well as maintain contact with OBrien paving about the apron on Landgrove Hollow Road this spring.

- Rental agreement with Merrills for storage

Chrystal gave Tom the sheet of costs that she got from Andrea, which Tom will type up as a starting point for having a written agreement. Tom listed the conex, and noticed the sprayer is in rough shape. Steve described the arrangement for the sprayer and its tank. We might need to just replace it from the supplier.

- Planning Commission FYI - no action required

Chrystal passed along a memo from Hal about the activities at most recent Planning meeting.

- Sign the Pay orders, the minutes from Town Meeting.

- Chrystal reviewed the BCA role in the spring tax assessment hearings, and reports that Anne McClaran at least will attend the training for BCA members happening soon in Rutland. It's good for BCA (JPs and Selectboard) to be up to date, refreshed and confident on the laws and procedures.

- Tom would like to explore having both SB meetings in the mornings at 8 at our next SB meeting.

Meeting adjourned 6:36pm.. The next SB meeting is 8 am, April 12th.

Respectfully submitted
Chrystal Cleary, Town Clerk
