

Minutes- Selectboard August 24th

Call to order 7:35pm

Present: Tom Dibble, Greg Eckhardt, Chrystal Cleary, Clare Munat

Minutes from last meeting were approved by the Board

Clare Munat of the White Pine Lodge reported on her plans with regard to her failed septic system. She has sourced quotes from two engineers to replace the system, but the cost is prohibitive at this time, so Clare has given 60 day notice to all of her tenants to find new lodgings, and she will drain the pipes and mothball the lodge for the winter. She has a couple of lines on a new apartment for herself, and will revisit the Lodge's issues in the spring with the possibility of subdividing and selling some land to afford the septic system.

Greg reports that Jay has requested two signs "Road Work Ahead" that he can place while grading for safety. Also the road signs for Jaquith Rd, Sled Run and Red Pine Drive need to be ordered (Red Pine needs a pole as well). Greg says we can order both of these kinds of signs through the Dept of Corrections. The SB has approved the purchase of signs in a previous meeting.

Tom spoke with the beaver management guy at the DFW and has a quote for about \$80 for a beaver fence for the culvert near Gans' discussed last meeting. This is also approved for purchase. Make it so.
