

Minutes of cemetery commission meeting

March 25 2015, attended by Clarence Nichols, Lynn Eckhardt, may Bigelow, and Andy Torre.

The meeting began at 10:00 and adjourned at 11:55

Stone wall project:

An estimate has been received from Cameron Chalmers, and requests for estimates from other builders will take place when the snow has receded to the river.

May and Lynn will prepare a fund raising letter to be mailed between April 15 and May 31. Additional funding is required to install new gates and update the cemetery map.

Cleaning of markers:

Plans are being made with the historical society for a project to clean grave markers this summer

Maintenance:

Ed Johnson and family are planning to maintain the two cemeteries this summer.

Plots:

Plot sizes were reviewed to determine if smaller plots could be available for cremations:

Expansion:

An idea was presented to create an expansion area, this requires an enviromental impact review.

Respectively submitted by Clarence Nichols
