

## Minutes- Selectboard 8AM April 14 2016

1. Call to order - 8:06 AM- Attendance: Greg Eckhardt, John Ogden, Chrystal Cleary, Andrea Ogden, Steve Hall and Cameron Chalmers
2. Motion to approve previous meeting's minutes- unanimously approved
3. Cameron Chalmers accepted the Board's appointment as Town Health Officer.
4. Cameron inquired about progress on the Evarts Forest firewood harvest, and was encouraged to contact County Forester Kyle Mason directly as Kyle is now back at work after some time off.
5. Road Commissioner Steve Hall presented his estimates for resealing/repaving the two bridges. Grant availability will determine the extent of the bridgework, though at least resealing and removal of material to reveal the aprons will be done. Treasurer Andrea Ogden notes that this work will need to be budgeted for and therefore looks like a "next summer" project. Greg Eckhardt will contact Greg Kizan at AOT regarding the bridge grants. Steve will ask Jay to lower the material at the bridge aprons.

The Selectboard told Steve Hall that he can lift the Mud Season Road Postings when he sees fit, as conditions are generally improving. Steve has chosen to lift them on Monday the 18th.

Two or three culverts are due for replacement this summer- one near Mostoller's, one near Adams' old place and (another?).

6. Greg will speak with Virginia LaPrade and Steve Burzon about traffic visibility at the crest of Old County Road.
7. Cameron will contact Clare Munat regarding complaints by neighbor JP Soucy about the failure of her septic system and her plans to resolve the issue.
8. The Selectboard decided to apply Laverack's credit to future tax payments
9. Meeting Adjourned at 9:12AM  
Respectfully submitted by Town Clerk, Chrystal Cleary
