

Minutes- Selectboard Meeting - March 26 2015

Attendance: Greg Eckhardt, Jeremiah Evarts, John Ogden (by phone), Andrea Ogden, Chrystal Cleary, Steve Hall

Meeting called to order 6:09 PM

- Motion to approve Minutes from March 12 Meeting, passed.
- Liquor License for Landgrave Inn approved.
- Steve Hall reports that roads are holding up to Spring melt well, and truckers have been calling for permission as the Roads are posted. Road posting signs are not very durable, what ways could we protect signs in the future? (laminating? more permanent signage?)
- More Roads items- Steve would like to have a company drop resurfacing material on the roads so Jay can run the grader without having to store material and run back and forth with the loader and the dump truck, this will require some calculations and quotes. Bridges- John will email contact info for the folks who built the little bridge in Peru to Greg and Steve when he gets back. Steve is following up on bridge repair/resurfacing for the two bridges in town and has heard of a possible bridge grant that he will find out more about. Greg will ask Karl about removing trailer and scrap metal before May.
- Letter from Selectboard and Zoning to Cameron Chalmers was sent last week.
- Cemetery has 1 estimate, will be seeking more when the snow is gone.

Meeting adjourned at 7:18PM

Next SelectBoard Meeting will be Thursday April 9 at 8am
