

Landgrove Select Board May 13 2021 8 am

Attendance: Michael Jeffery, Chrystal Cleary, Lori Langevin, Will Goodwin

John was away and Steve had an unexpected appointment in Manchester, so Michael signed the pay orders from Treasurer Lori, Steve will stop by to cosign them after 10 am.

Chrystal relayed an email from Sally Ogden regarding the broken split rail fence along the west side of the Town Hall grounds. This is on the property of Carder/Ortez. Sally emailed with Mr Ortez about the fence and he is fine with having it taken down, Will suggested that Cameron may be interested the remaining stiles in the fence and will text him about them, thinking perhaps he will remove the posts in exchange for the stiles.

Meeting adjourned 8:20AM
