

SelectBoard Meeting - May 23, 2019 8AM

Attendance: Steve Hall, Michael Jeffery, Chrystal Cleary, Kimberly Eckhardt

Call to order 8:10am

Roads report: Jay is out grading roads, he just did Ridge road. Recent rains have hampered successful grading practices. But on dry days, he is on top of it.

Mr Demski called Steve about removal of gravel from his lawn from road repair after the flood damage. Michael Jeffery is going to call him back.

Hal is still awaiting a proposal from Consolidated communication for improving internet connectivity.

Roads Barn site search continues- Hal, Michael, Bruno Licata, and Jay are going to meet soon to explore this further.

Payorders were signed.

The Town's Local emergency Management Plan was signed and adopted- an annual procedure.

John Ogden received an estimate from one of the contractors for window restoration. This was reviewed by the present members and looks very good. John will follow up to determine scheduling, if all agree.
