

SelectBoard October 28th 8:00 AM

Attended by John Ogden, Steve Hall and Chrystal Cleary

- Meeting Minutes from October 14th approved
- Chrystal will send Gary Ameden's office a copy of the Conflict of Interest Policy, per his request
- Pay orders were signed
- Steve Hall let Will Goodwin know that the Town's Road Access Permit form needs to be redesigned, suggested some other towns to refer to for ideas.
- Grants- need to keep top of mind- future agendas should list a table with grant progress status to date for each because this gets confusing. Roughly like this:

TITLE	SUBJECT	WHO	CONDITION	AMOUNT	APPROVED ?	PAYMENT RECIEVED?
2021 Ditching	Old County West	Steve				
2022 Ditching	Old County East	Steve				
Equipment 2022	Debris blower- Buffalo KB4	Steve	80/20 matching	\$5600 of \$8150 total	Preapproved	Not yet
Sandbox grant		John O				
Bylaw rewrite grant		ZBA/Harry				

- The debris blower above has been chosen and invoice will be sent to Treasurer
 - Neighborhood Connections has a Kick-ass teleconference system - John is going to review components with Nicole Wengerd of that office and attempt to replicate similar for Town Hall.
 - Wetlands/wastewater permits for sandbox and access road are the next step in that effort.
- Meeting adjourned at 9:28 AM

Next meeting is Nov 18th at 8AM
