

**Minutes for SB April 28th 2022 – (8:12am start- 8:58 end)**

**In attendance: John Ogden (Phone), Andrea Ogden, Susan Lenox, Steve Hall, Michael Jeffrey**

- Pay orders

Discuss price of oil delivery TY/ LY, Andrea to check actual usage due to increase in total \$. Steve will check with Jay to see if there were any unusual fuel demands

- Signatures:

Steve and Michael signed pay orders and checks

- Mud Season Meltdown- Steve (May 15<sup>th</sup>)

Notes: The roads are fine now; signs will be removed. Jay continues to gradually grade- he is done with the main lines and doing side roads now in a staged fashion- weather permitting.

- Hazard Mitigation Plan- John – ongoing effort

Notes: Update – This is the Town Disaster Recovery Plan. Town must have one on file to receive funding. Susan to review email from John and historical folder from Andrea to ascertain next steps.

- Blue Flame update

Notes: Nothing new

- Anything new in Sandbox land?

Notes: Steve to follow up with Jason

- Discuss Town maps – Steve

Notes: Progressing with updating the road maps- working with Pam, waiting to see if the actual revised mileage is correct.

Mileage and possible reclassifications to TH6 (Old County East) and TH12 Landgrove Hollow. Our Town Highway maps are incorrect. Class 4 roads need potential reclassification to Class 3.

- Flagpole request (Rob Badger)

The flagpole at the cemetery needs to be replaced due to breakage in two spots. Steve will go and assess- pole may need to be core drilled out to replace. Michael suggests using a sleeve to replace the old pole with a new one.

- Internet line for Town Hall

Presentation of contract and pricing for discussion.

Michael makes motion to vote on new fiber 30/30 line- approved with a vote of 3. Susan to submit paperwork

Respectfully submitted: Susan Lenox, Assistant Town Clerk & Treasurer
